5. Contributions

If you wish to make regular contributions please complete the Standing Order Mandate that is included in the application.

Any employer contributions are paid to your SIPP gross. This means that the amount of the contribution paid in to your SIPP is the total amount that will be credited to your SIPP. Personal and self-employed contributions are generally paid net of basic rate tax. This means that the amount of contributions paid in to your SIPP will be increased by the amount of basic rate tax we reclaim from HMRC on your behalf. We will reclaim the basic rate tax from HMRC on contributions made by you or on your behalf unless instructed otherwise, providing we have confirmation you are a relevant UK individual who is under 75 years old and have details of your earnings. Tax can only be reclaimed up to relevant UK earnings or £3,600 gross (£2,880 net) if no earnings. If you tax above the basic rate you can reclaim the extra tax through your self assessment tax return or contact HMRC. The basic rate tax relief will only be added to your SIPP once HMRC pay the tax relief to us.

Please read the statements below and select the one that applies to you to confirm whether you are eligible for tax relief or whether any limits apply.

I have relevant UK earnings chargeable to income tax or general earnings from overseas crown employment subject to UK tax in this tax year (we will reclaim basic rate tax on personal contributions up to 100% of earnings or maximum personal allowance, whichever is the lower)

I have, or will have been a resident in the UK at some point during this tax year (we will reclaim basic rate tax on personal contributions up to 100% of earnings or maximum personal allowance, whichever is the lower)

My spouse/civil partner has general earnings from overseas crown employment subject to UK tax for this tax year (we will reclaim basic rate tax on personal contributions up to the gross of £3,600)

7. Investments

As you do not have a regulated financial adviser, your investment choices are the sole responsibility of you and/or your investment manager/adviser.

If you wish to appoint an investment manager to advise on your SIPP investments please complete the details below.

We or the trustee may refuse an investment for the reasons set out in Section 11 of the SIPP terms and conditions. We would always recommend regulated financial advice be obtained.

If you are applying for an unregulated investment without obtaining regulated financial advice, you must be an experienced investor and sophisticated client and we would require further information from you.

If, at any time your position changes and you appoint a financial adviser, you must inform us.

7. Investments (continued)

You are responsible for the ongoing review and monitoring of the investments you have chosen. All investments can go down in value as well as up. We and nor the trustee are not responsible for any choices, decisions or monitoring of the investments.

Do you wish all future contributions and transfers to be invested with this investment manager?

8. Verification of identity

We are obliged by law to verify the identity of our clients and to ensure that the information we hold is kept up-to-date. Our default approach is to use electronic identity verification checks. These checks will be made prior to the provision of any service as well as from time to time throughout our relationship.

This electronic check creates a “soft” footprint that will not be visible to any other party on your credit records; neither will it affect your credit rating.

I do not wish for an electronic check to be carried out

If you tick the box, or fail to pass electronic checks, in order to support your SIPP application and/or the payment of benefits we will require at least two separate documents to confirm identity, address and date of birth.

Please provide a certified true copy of either a passport or photo card driving license and a utility bill (not mobile phone) dated within the last 3 months.

Other options of evidence are available if you should not have these documents; please contact us directly for further information.

9. Expression of Wishes

Please complete this form to tell us who you wish to receive benefits from your pension scheme if you die. You can continue on another copy of this form and attach it to this one if you wish to name more than three people as your "beneficiaries". The total as a percentage across the people you have named should add up to 100%.

By filling in this expression of wishes you can let the trustee know to whom you would like benefits to be paid and how the benefits are paid. The trustee will not be bound by your expression of wishes but will take it into account your wishes when exercising their discretion. This expression of wishes can be changed at any time and it is important that you keep this up to date with any new information and by sending new written signed instructions to us.

IMPORTANT NOTE: A beneficiary may take either a death benefit lump sum or (in most cases) opt instead to leave the funds in a pension to draw on in the future. Any payment is taxed depending on your age when you die. If you are under 75 years old, benefits are normally paid tax free and if you are 75 years old or over when you die, tax will be charged at your beneficiary's individual marginal rate of income tax on anything they draw or are paid. This is subject to the benefits being paid out within 2 years of the date we are notified of the death.
